

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ  
اللَّهُمَّ اغْفِرْ لِي مَا أَنْتَ أَعْلَمُ بِهِ مِنِّي

*Allahummagh firli maa anta a'lamu bihi minni*

o' my Allah! forgive me what You know about me more than I do.

فَإِنْ عُدْتُ فَعُدْ عَلَيَّ بِالْمَغْفِرَةِ

*fa in u'dtu fa u'd a'laiya bil maghfirati*

If I return (to sin) You return to forgiveness

اللَّهُمَّ اغْفِرْ لِي مَا رَأَيْتُ مِنْ نَفْسِي، وَلَمْ تَجِدْ لَهُ وَفَاءً عِنْدِي

*Allahummagh firli maa raitu min nafsi, walam tajid lahu wafa an i'ndi*

My Allah forgive me what I had promised to myself, but You did not  
find its fulfillment from me.

اللَّهُمَّ اغْفِرْ لِي مَا تَقَرَّبْتُ بِهِ إِلَيْكَ بِلِسَانِي، ثُمَّ خَالَفَهُ قَلْبِي

*Allahummagh firli maa taqarrabtu bihi ilaika bi lisaani*

*thumma khaalafahu qalbi*

My Allah forgive me that with what I sought nearness to you with my tongue  
but my heart opposed it and I did not perform it.

اللَّهُمَّ اغْفِرْ لِي رَمَزَاتِ الْأُلْحَاطِ

*Allahummagh firli ramazaatil alhaazi*

My Allah forgive me the winking of the eye

وَسَقَطَاتِ الْأَلْفَاطِ، وَشَهَوَاتِ الْجِنَانِ

*wa saqataatil alfaazi, wa shahawaatil jinaani*

The vile utterances, the desires (evil) of the heart

وَهَفَوَاتِ اللِّسَانِ-

*wa hafawaatil lisaani*

And errors of speech

(The End)
