

## Salaatul Nadar

When one makes a vow (*Nadar*) to perform a certain number of prayer cycles (Rakaat) if a request made to Allah swt is fulfilled, then it becomes obligatory to perform that Salaat soon after the request is granted.

Salaat may be said in two Rakaat (cycles) and repeated to complete the number of Rakaat vowed. Intention is *Qurbatan ilal-laah*. Method is similar to *Fajr* prayer.
