

Salaatul Jumuah

It is offered in place of Zuhr Prayer.

Salaatul Jumuah is *Wajib Takhyiri*, meaning one has option to offer Jumuah prayer* (If necessary conditions are fulfilled), otherwise should offer Zuhr Prayers.

It is a congregational Salaat consisting of two sermons and two Rakaat.

The two sermons are delivered by the Imam before the Salaat.

In the first Rakaat, after Surah Fatihah and another surah, the Qunoot is recited followed by Ruku'. This is followed by Sujood.

In the second Rakaat, after Surah Fatihah and another Surah, Ruku' is performed, and Qunoot follows.

The rest of the Salaat is completed like Fajr Salaat with Sujood, *Tashahhud* and Salaam.

Meeting with the members of the congregation, enquiring about each other is highly recommended.

*Importance of Salaatul Jumua is emphasized in the Qur'an in the *Surah Jumuah* (62)

For details of the prayer and related issues, please refer to a standard manual or your scholar.
